Installation of Citrix Workspace 3

Installation of Citrix Workspace

If you want to use G2 PRO on your computer, you need to install Citrix Workspace on your PC.

Citrix Workspace is a free software.

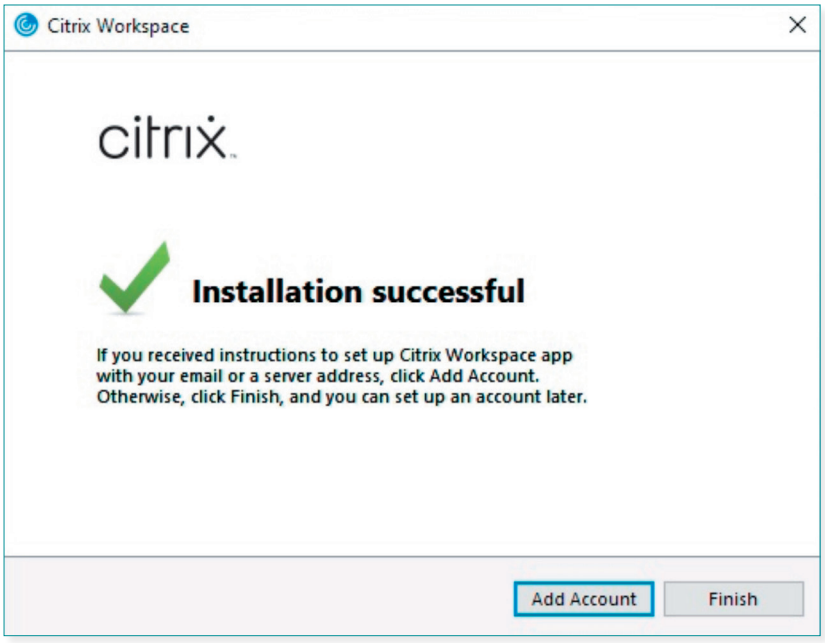
Please go to this URL to download Citrix Workspace:

For Windows: https://www.citrix.com/downloads/workspace-app/windows/workspace-app-for-windows-latest.html

For Mac OS: https://www.citrix.com/downloads/workspace-app/mac/workspace-app-for-mac-latest.html

Once downloaded, please launch the setup

The installation is easy (only next, next, next to do).
At the end, click on Finish to close the window.



The installation is complete and Citrix is now installed on your computer.
